Why: Many of the decisions that affect our company are made in Augusta everyday. It is becoming increasingly harder to do business in Maine and that puts all of us at risk. It is your right as a citizen of Maine to vote to elect officials that will make our voices heard in Augusta. *But it can't happen unless you vote. Please register to vote!*

Maine's poor economic climate is not a matter of fate, but political choices. Together, we can make a difference in Maine's Future.
